CELEBRATES ITS CENTENNIAL

Firm of C. C. Smoot and Sons Company, Tanners

FOUNDED MAY 3, 1820

Has Had a Most Successful Career—Main Office Here and Tannery at North Wilkesboro, N. C.

The firm of C. C. Smoot and Sons Company, tanners, announce that on May 3 they will celebrate their 100th anniversary in the tanning business, and they express thanks to all who have contributed to their success during the past century.

On May 3, 1820 Charles Calvert Smoot bought the tanning property of Joseph Heston, located at the corner of Wilkes and Washington streets and it is at this point that its main office is still situated. Here the firm did a tanning business according to the rights and methods of those days.

Later Charles C. Smoot took into his firm his two sons, John B. Smoot and Charles C. Smoot, jr., and the title became C. C. Smoot and Sons. After many prosperous years under this name the business was incorporated in 1894 under the name of C. C. Smoot and Sons Company and in the year 1897 the tannery was transferred to North Wilkesboro, N. C., where it is now located. The name of Smoot is not merely a title, the Smoot family is still vitally interested in the operation of the business, as there are in the company two grandsons of Charles C Smoot, the founder, William B. Smoot, president and J. Clinton Smoot manager of the Wilkesboro tannery, and a great grandson, Charles Calvert Smoot, third.

The tanning business has made great strides in the past one hundred years, and the history of this development could be traced step by step in this business since its start at Alexandria, Virginia, in the year 1820 down to the Wilkesboro Tannery at North Wilkesboro, N. C., as it stands today in 1920, one of the best equipped tanneries in the U. S. They are tanners of the trade mark "Alexandria" Scoured Oak Bends, particularly adapted to the findings trade, bellies, shoulders and heads and also manufacturers of chestnut wood extract. The 'Alexandria" leather has made its own name and stands among the highest on the list of the best tannages in the country. It is a high grade leather and every effort is made to maintain its well known quality. Its aim has always been to uphold a name of high business integrity, and the firm take great pride in the fact that during these one hundred years of active business, when, of course, it became necessary many times to borrow money in order to carry on the work, that never once during that period has their note gone to protest.

Having, therefore, built the business through many years, and much care as to the quality of its goods, its success has been proportionate; and standing thus upon a strong foundation of integrity and experience the firm look forward to the coming century with confidence and renewel vigor.

SUGAR BURDEN IS PUT ON CONGRESS

Attorney-General Charges Body Is Trying to "Pass The Buck."

FAILED TO ENACT LAW

Palmer Says He Used His Discretion And Has "No Apalagy" to Offer to Anyone

Washington, April 30.—Responsibility for the existing sugar prices and for the failure of the Government to intervene and control both prices and distribution was fixed upon Congress and not upon the President by Attorney-General Palmer, appearing yesterday before a special House committee.

Mr. Palmer charged that Congress was endeavoring to "pass the buck", said it was a familiar pastime at the capital and added that the " public understood.'" The President, he insisted, would have acted had Congress acted on his recommendation for extension of the Lever Food Control law.

Mr. Palmer insisted that when the Sugar Equalization Board recommended in the summer of last year that the Cuban sugar crop be purchased it did so with the distinct reservation that if the sugar was purchased by the board it should only be purchased after Congress had assured it of authority to control the distribution. President Wilson requested Congress to extend the Lever Food Control act to a definite period of six months after the termination of the war, Palmer declared, and Congress failed to act. In view of this failure to act Palmer said he would have done just what the President did had he been in the President's position.

The date of the primary will be fixed upon at that time. Each candidate will be required to deposit with the committee $10 to defray the expense of holding the primary. The primary will probably be held about a week after the meeting, at which the announcement of the candidates is made.

SPORTS

The Cardinal Athletic Club baseball team will play a high-class nine to be selected from three teams now booked by Managers Harvey Crump and Myron Howard, on the North Alfred Street diamond, Sunday, May 2, at 2.30 o'clock p. m.

In the country they use bells on the cows to locate them, but in Alexandria it is not necessary to resort to that method to find an all-star baseball combination when they are scheduled to play a game. The immense crowd who have followed the Cardinals to their new playgrounds on North Alfred street have witnessed two interesting and well-played contests between excellent teams. The up-to-date local baseball fans will not allow themselves to be hoodwinked for they are too wise concerning the great national game and know a good team when they see one in action.

The Cardinals line up for Sunday's game will probably be as follows:

Merchant, first base; McLean or "Babe" Payne, second base; George Allensworth, Freeman, or Pat Rooney third base; Purdy or Sweeney, shortstop; Strunkle, center field; Frank Owens, right field; Alexander, left field; Finn, Jones, Ludwig, McCarthy, or Walter Allensworth, pitcher; "Teddy" Schaeffer, Conover, Patterson, or Jones, catchers; White, Andy Walker, Grissom, Haley, Joe Owens, Hollingsworth, Streeks and Williams, utility players.

Fannon, and conduct the firm under the trade name of Thomas J. Fannon and Sons. The new added members of the firm are well known young Alexandrians, and enjoy the advantage of having practically "grown up" in the business which their father has conducted for a long term of years.

The new firm are agents for the well known "Security" Portland Cement, "Fairmont" Wall Plaster, "Berkeley" Hydrated Lime and various kinds of Roofing. As usual, the new firm will specialize in "Fannon's Celebrated Rose Coal—The Fuel Without a Fault," which the senior member has been handling with much success for many years.

"KEEP YOUR LOWER LIGHTS BURNING."

The police have been during the past few days engaged in attempts to enforce the law which requires lights to be kept burning upon automobiles operated or parked in the streets at night especially in the rear About thirty citations have been issued for the appearance of owners of cars found in the streets without these necessary safeguards. Only nominal fines have, so far, been imposed in order to maintain the law.

During the past few years the law has been more honored in its breach than its observance, and it is hoped all interested will take heed in the future and comply with its requirements. Often autos are parked on a square under trees, and their presence cannot be discerned. Collisions with the same are likely to occur under such circumstances.

An ordinance of the City Council makes it a misdemeanor to keep any vehicle on a street over six hours at a time. In this day of motor cars, however, when their number is legion, this statute has not been rigidly enforced, but lights should be placed on all vehicles after dark for the safety of all.

THE MONTH OF APRIL

The present month will have passed away at twelve o'clock tonight. Meteorologically it has been phenomenal, conditions throughout having been akin to those of March. There have been but two or three days upon which Old Sol has made himself felt. Most people have retained their winter clothing, and, apart from laying aside overcoats, but little change in wearing apparel has been necessary. Cold and rainy weather, and often strong northwest winds have been in evidence during most of this spring month.

The Weather Bureau announces that next week's weather program will be just about the same as it has been so far this week, the week before, and even the week before that. It begins with humidity on Sunday, continuing through the first part of the week with rain and bad weather, then clears up, gets cool, warms up again, and on Saturday is ready for another rainy Sunday.

CITY TO GET THE FINES

The State Liquor law has become a law on the Danville statute books. This means that men arrested for minor infractions of the law may settle their score in the Police Court instead of having to go to the grand jury, give bond, and return to appear. It will save great expense in vastly curtailing the court docket. It will also mean that fines imposed will be turned into the city treasury each month instead of going to the State treasury.

A similar law has been in force in Fredericksburg for some time, that city getting the fines imposed for violations of the prohibition law. It was suggested some time ago that Alexandria should have a similar statute. At present the Police Court is only empowered to handle "drunks," all other cases being turned over to the grand jury. When true bills are reported and the accused convicted by the petit jury the fines imposed are turned over to the state.

Republicans Take Notice

The Republican Committee of Alexandria urge upon you the great importance of qualifying yourself to vote in the next presidential election and desire to call your attention to the fact that under the laws of Virginia you cannot vote unless you have paid your poll taxes for the years 1917, 1918 and 1919, PRIOR TO MAY 1, 1920. If you have paid your taxes for the years 1917 and 1918 you will have only to pay for the year 1919, but the poll taxes for the three years mentioned must be paid before May 1, 1920.

It is suggested and urged, that you call immediately on the City Treasurer and the Clerk of the Court and investigate your status as a voter.

If you have not been assessed, go at once to the City Commissioner of Revenue and request assessment, pay your poll tax and then register in the precinct in which you live.

Please make inquiries among your republican friends and send to the Committee promptly the names and addresses of such of them as have not qualified to vote.

Remember that only those who pay can vote. Swearing at the law will not get your name on the Treasurer's list and registration books. Attend to this at once.

JAIL DRY AGENT

West Virginia Loses Liquor Case Case Appeal in Richmond

Richond, Va., April 29.—Affirming the decision of the Charleston, W. Va., district, the Federal appeal court yesterday decided here that Rufus Clendennin, State prohibition agent of that city, assigned to special duty under the prosecuting attorney of Kanawha countly, must serve thirty days in jail and pay a $100 fine for carrying on the business of a retail liquor dealer without paying a special license tax.

According to Clendennin's story, which the appellate court regarded as highly incredible, he delivered six gallons of liquor seized by him in raids to Jim Nutter, an alleged illicit dealer, without exacting any pay for it. The government tried to prove that Nutter paid $3 a pint for it.

The Appelate court held that Clendennin became an associate and participant with Nutter in the retail business in violation of the Federal law, if he delivered the liquor to Nutter, knowing he was engaged in retailing liquor. Criminal intent in such cases was not necessary, it was held.

PASTOR WANTS TO QUIT

Started New York Vice Crusade by Serman; Has to be Subpoenaed

New York, April 30.—Rev. John Roach Straton, formerly of Norfolk, Va., and now pastor of Calvary Baptist Church in this city, who has played a prominent part in New York's vice crusade, Tuesday was subpoenaed to appear today before Commissioner of Accounts Hirshfield and tell of his discoveries along the great "White Way."

Sensational charges made by the clergyman in his Easter sermon resulted in Mayor Hylan ordering Commisisoner Hirshfield to launch the fifth concurrent investigation of conditions in this city.

Dr. Straton after appearing before the Federal grand jury and the regular grand jury considering charges against members of the police department, announced he had no desire to assist in the new inquiry.

San Salvador, Republic of Salvador, April 29.—Eight hundred men, women and children were killed in the recent fighting in Guatemala City during the revolt which resulted in the overthrow of President Manuel Estrada Cabrera; according to the latest advices received here from Guatemala.

Numerous adherents of Cabrera who remained faithful to their chief were killed in their houses, and many Guatemalans who fled the country are returning and are being received with enthusiasm.

KILLS, DEFENDING MOTHER

Baltimore Boy Shoots Negro Who Refused to Move on

Baltimore, Md., April 29.—Samuel Levin, aged 14, shot and killed John Botts, a negro, 38 years old, when the latter threatened the boy's mother. The negro, according to neighbors, stood in front of the store conducted by Mrs. Levin all day. She ordered him away, but he threw a large stick at her. When the boy returned from school, he too, ordered the negro away. He refused to move and the boy went to his father's room, procured his pistol and fired one shot. The bullet entered the negro's brain, He died after being removed to a hospital.

Ruddy Cheeks—Sparkling Eyes —Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 10c and 25c.

YOU NEVER CAN TAME A WILD CAT

Mr. Dodson Warns Against Use of Treacherous, Dangerous Calomel

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodsons Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless pleasant and safe to give to children they like it.

BOAT PLUNGES 20 FEET

Large Stone Aqueduct Near Hagerstown Was Built Over a Century Ago

Hagerstown, Md., April 30.—Two spans of the large stone aqueduct of the Chesapeake and Ohio Canal, built over a century ago across Conococheague creek at Williamsport, collapsed yesterday and canal boat No. 72, Capt. Frank Myers, just entering the aqueduct, was swept through the gaping side and fell 20 feet into the creek below. Captain Myers, steering, saved his life by leaping to the bank.

The three mules pulling the boat were saved by Captain Myers' son, driver, who promptly unhooked the tow line just as 175 feet of masonry fell out into the creek. The boat was badly damaged.

J. T. Richards, supervisor of the Williamsport division of the canal, stated that a month or two will be required to reconstruct the aqueduct, during which naivgation will be suspended, causing heavy loss to boatmen, shippers and the canal company.

VIRGINIA NEWS

John William, alias Lee Jordan, who was taken to Lynchburg from Toledo to stand trial for murder of Detective L. A. Mann and wounding of Detective E. R. Wheeler, was identified by Greenville, S. C., officers as Joe Turner, wanted in the South Carolina city for the murder of two policemen, Williams has confessed to the Lynchburg murder, but denies those in South Carolina. Williams fought with Detectives Mann and Wheeler on the night of March 25, when they attempted to arrest him on a charge of carrying concealed weapons. He made his escape under fire from anothe officer. He was arrested last Saturday in Toledo. The Greenville policemen were killed when they raided a gambling house.

The board of trustees of Chatham Episcopal Institute, called to meet to consider the controversy between the Rev. C. E. Pruden, the rector in charge, and Mrs. L. M. Willis, of New York, principal, over the proposal to give lectures at the institute on "Uncle Tom's Cabin," yesterday amended the rules governing the school so as to relieve the rector of the power to appoint the principal. The board then appointed Mrs. Willis, who promptly resigned, the resignation to become effective with the end of the present session. The nine members of the faculty who resigned have left for their homes in the North.

A Chesapeake and Ohio express train from the West late yesterday afternoon struck an automobile at a crossing five miles west of Richmond, instantly killing Talley McGregor, Hanover County farmer, 28 years old, and injuring Catney McGee, another farmer, 32 years old, driver of the car. It was said that the machine was stalled on the tracks.

Aubrey Bowie, 55 years old, for many years an invalid, shot and killed himself with a revolver Wednesday night at his home in Culpeper. He had been kept in bed for two years and was extremely despondent. He was a victim of consumption.

A telegram has been received in Lynchburg announcing that Secretary of War Baker will visit Camp Lee Saturday. It is supposed his visit concerns the progress and work of the vocational school, which is attended by about 500 students. He is also expected to review the 1,500 troops at the cantonment attached to the Sixty-second and Forty-third infantry regiments.

Ivy Gilland, aged 43, street car motorman of Richmond, died yesterday from sleeping sickness after an illness of one week.

A Woman Asks:-

"Can I, at my age, 49, suffering from kidney and bladder trouble, burning pains after urinating and pain in my hips, painful swellings for 6 years, be cured by your method? I am a graduate nurse from one of the large Chicago Hospitals, have tried many good doctors, and many drugs and serums with nothing but temporary relief, I am awfully discouraged—

Answer:—This woman was under my care about three months and the cause of her trouble was entirely removed and she grew very strong and healthy, when your brain impulse, like an electric current, is made to pass freely all over your body, to heart, lungs, liver, stomach, kidneys etc., as well as through all your muscles you can not be sick, nature cures you. I cure nothing.

Two Members of Ways and Means Committee Bolt Conference

Washington, April 30.—Insurgency among House Republicans over the soldier bonus question reached its climax last night, when Representative Young, of North Dakota, and Frear, of Wisconsin, bolted the conference of Republican members of the Ways and Means Committee and joined with a group of insurgent Republicans in secret conference.

Refusal of the Republican leaders on the Ways and Means Committee to abandon the proposal for taxation on sales caused the break in committee ranks.

The remaining Republicans on the committee completed their tentative draft of the Soldier Bonus bill and sent it to the printer, so that it would be ready for the Republican conference tonight. The conference, promises to be one of the most exciting yet held by the Republicans, one filled with bitter debate and one which may result in ultimate defeat of the entire bonus legislation.

Ossining, N. Y., April 30.—Three men may be saved from the electric chair as a result of an eleventh hour confession by Joseph Milano in the death house at Sing Sing prison yesterday.

BRILLIANT WEDDING

Thousands Attend Ceremony in St. Thomas', New York

New York, April 30.—Rachel Littleton and Cornelius Vanderbilt Jr., were married yesterday afternoon at St. Thomas Church. The bride is the daughter of the late Mr. and Mrs. Thomas J. Littleton, of Chattanooga, Tenn., and a sister of the distinguished attorney, Martin W. Littleton. The bridegroom is the only son of Brig. Gen. and Mrs. Cornelius Vanderbilt, and is heir apparent to a fortune estimated at between six million and ten million.

The audience numbered nearly five thousand guests.

The ceremony was performed by the Rev. Ernest M. Stires, rector of St. Thomas.

The reception which followed the ceremony at the home of the Martin Littleton's was attended by about 700 guests. Its chief feature was the wedding cake, five and one half feet high, three feet in diameter, put together in 25 layers and the largest ever made in America.

The cake and cold fruit punch were the only refreshments served.

Wedding gifts totaling in value about one million dollars helped to make the occasion merry Among them was a diamond tiara valued at three hundred thousand, the gift of Brigadier General and Mrs. Vanderbilt.
